BLOCK OF PEONEAS IN OUR NURSERY

This list contains only such varieties as we are in position to offer at wholesale prices. Therefore we have many varieties not in this list. We are especially long on those items or sizes preceded by a star.(\*) If you do not see what you want quoted, write for prices.

This stock has been well cultivated and has been given plenty of room to develop, therefore quality is extra good.

Prices quoted are net. Boxing or baling free except on trees 2 in. C. or over when not loaded in bulk. The charge for baling will be as follows: 2-3 in. C., per 10, \$2.00; 3-4 in. C., per 10, \$4.00; 4-5 in. C., per 10, \$8.00. We will allow 5 at ten's rate and 50 at hundred's rate.
